Virlanie - Giving the smile back to the street children

December 25, 2008

Mr. Vicente-Andres Zaragoza

Monaco Charity Association

Dear Mr. Zaragoza,

On behalf of all the children of Virlanie Foundation Inc., thank you very much for donating the house and lot with address # 4057 Yague St., Makati City, Philippines for the exclusive use of the foundation. Your donation is of great help to us as we house and take care of more street children.

We hope you can continue to support and help us because we need your help in the coming year (2009) to buy another property and to build a house. The lot is located on Davilla Street. Once acquired, and we are able to construct a house, we will be able to use it to house children who come from very poor families and/ or those who have been abused, neglected or abandoned.

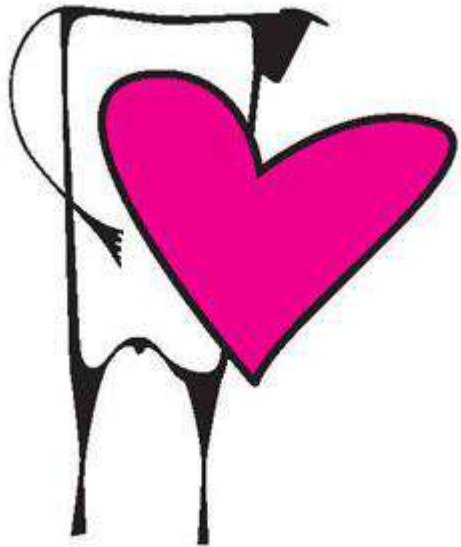

We wish you good luck with your 2009 Monaco Charity Film Festival.

With my sincerest gratitude,

DOMfnique Lemay Founder / President
