Mr. Vicente Andres Zaragoza

Dear Mr. Zaragoza,

Greetings from your Virlanie Family!

On behalf of the children, the families being helped by the foundation, and our President, Mr. Dominique Lemay, we sincerely thank you and the rest of our friends at **Monaco Charity Association** for responding to our Milk Drive by generously donating **two (2) boxes of milk** to Virlanie Foundation. Your remembrance of the Virlanie children is appreciated. This support will go towards our Residential and Outreach Programs.

It is because of concerned and benevolent people like you that we are able to provide our children with their basic needs as well as developmental services that would enable them to become self-reliant, productive, and independent individuals.

We look to the future full of hope and confidence. Together with you and everyone else who care for the children, we are all doing our part to shape a brighter future for them.

Respectfully,

Charlie Anne L. Espiritu

Dear Mr. Zaragoza,

On behalf of all the children of Virlanie Foundation Inc., thank you very much for donating the house and lot with address # 4057 Yague St., Makati City, Philippines for the exclusive use of the foundation. Your donation is of great help to us as we house and take care of more street children.

We hope you can continue to support and help us because we need your help in the coming year (2009) to buy another property and to build a house. The lot is located on Davilla Street. Once acquired, and we are able to construct a house, we will be able to use it to house children who come from very poor families and/or those who have been abused, neglected or abandoned.

We wish you good luck with your 2009 Monaco Charity Film Festival.

With my sincerest gratitude,

Dominique Lemay
Founder / President
